Grail, Circles, and the Sacred Feminine: A Healing Story for Psyche and Planet **Jean Shinoda Bolen**

Jean Shinoda Bolen delivers the legendary, mythic, and spiritual realm of the Sacred Feminine. The Grail and goddesses are archetypes, symbols with universal depth and meaning. The three phases of the moon, the triple goddess, and woman as maiden, mother, and crone are also stages of a woman's life. Cut off from sources of meaning, without a connection to the sacred feminine, the inner landscape becomes a wasteland. The wounded Fisher King, the healing Grail, and the wasteland are symbols of outer reality and inner metaphors. Hear the stories, participate in a guided meditation, and experience meeting in small circles. Learn how to be in touch with inner sources of wisdom and compassionate action, and then form circles with sacred centers that nourish and support us—*our purpose*—as spiritual beings on a human path.

Jean Shinoda Bolen, MD, is a psychiatrist, Jungian analyst, clinical professor of psychiatry at the University of California at San Francisco, and an internationally recognized speaker who draws from spiritual, feminist, Jungian, medical, and personal wellsprings of experience. She is the author of *The Tao of Psychology*, *Goddesses in Everywoman*, *Gods in Everyman*, *Ring of Power*, *Crossing to Avalon*, *Close to the Bone*, *The Millionth Circle*, *Goddesses in Older Women*, *Crone Don't Whine* and *Urgent Message from Mother*. Dr. Bolen also is a Distinguished Life Fellow of the American Psychiatric Association, and a former board member of Ms. Foundation for Women and the International Transpersonal Association.
